

Role Profile: BANT College Student Representative

The Student Network is a programme that supports BANT student members; encouraging student engagement with BANT, helping students develop a community and support network, and ensuring that the students feel part of the professional association now and in the future.

The BANT College Student Representatives are a key, approachable point of contact within each year group/class at each college, receiving feedback from students and offering advice and signposting to BANT resources for all student members. Ideally, there will be at least one BANT College Student Representative within each accredited Training Provider.

The BANT College Student Representatives will liaise with the BANT Student Rep, who represents BANT students on BANT Council ensuring the student voice is heard. The BANT Student Rep will keep the BANT Student College Reps up to date with relevant information and the latest developments.

The role of the BANT College Student Representatives is to:

- Actively disseminate relevant BANT information within each year group of the internal college social media forums
- Feedback any queries from the students to the BANT Student Rep
- Attend quarterly meetings with the BANT Student Rep either in person or on-line

The BANT College Student Representatives will ideally:

- Be energetic and out-going
- Have a good understanding of social media forums (internal college forums, LinkedIn, Facebook, Twitter, etc.)
- Have a good understanding of how the college is structured and how communication could be delivered within
- Have a good relationship with college lecturers and staff

Estimated time the role takes per week: 1-2 hours
