How To Create Your CPD Provider Login

In order to be able to add your Local Network or Regional Branch meetings via the CPD Online Application Portal, you will first need to [register as a CPD Provider](#):

:

The screenshot shows the BANT website's CPD Provider Registration Email form. At the top left is the BANT logo. To the right is a search bar with the text "search BANT.." and a "Search" button. Further right are social media icons for Twitter, Facebook, LinkedIn, YouTube, and Instagram. Below these is a navigation menu with six items: MEMBERS AREA (green), SCIENCE AND EDUCATION (orange), ABOUT NUTRITIONAL THERAPY (purple), NUTRITIONAL THERAPY CAREERS (pink), ABOUT US (dark purple), and MEDIA (blue). The main content area has a green header "CPD Provider Registration Email". Below this, the text reads: "Please enter your email and click enter." followed by "If you have already registered as a CPD Provider, you will be asked to log in" and "If you are a new CPD Provider, you will be asked to register before logging in". There is an "Email:" label above a text input field containing "kalexander@talktalk.net". At the bottom of the form is a blue "Next >" button.

You will be prompted to register your email address and set up a password.

Regional Branch Registration: you should use your BANT regional branch email address.

LNC Registration: N.B. if you will be using the same email address as for your BANT membership, then you will skip the next step as your password will be the same as for your BANT membership login.

CPD Online Application Portal

To ensure the continued provision of high-quality CPD events for BANT members, over 100 conferences, seminars and webinars are awarded the BANT CPD quality mark on an annual basis. Recognised events are advertised to the membership through a website listing, monthly eBlasts and social media posts.

It is easy to apply for BANT CPD Event Recognition through our on-line application portal.

The quality of events is important to us. Please familiarise yourself with the [Standards of Recognition for BANT CPD](#) before starting your application to avoid disappointment.

[Click here](#) for information on costs of CPD Event Recognition.

Are you applying for CPD Event Recognition for the first time?

If so, you need to register with BANT as a CPD Provider before submitting your first CPD Event Application. This is a required step for regular BANT CPD applicants as well as new applicants, but only needs to happen once. The process is quick and simple. We aim to turn around these applications within 3 working days. Click the button below to start your application to use the BANT CPD online application portal.

If you have had BANT CPD Event Recognition for your events within the past 5 years, please check 'yes' when asked if you are an existing provider. If this is the first time you have ever applied for BANT CPD Event Recognition, please check 'no' when asked if you are an existing provider.

First GWAS of COVID-19 severity identifies two genetic markers associated with respiratory failure (rs11385842 and rs657152). Looking forward to a GWAS that compares those who were hospitalized vs those who barely showed any symptoms. I suspect we'd see a much stronger signal
