A growing network of BANT members to promote best-practice

## promoting the profession

BANT acts as a professional body for Registered Nutritional Therapy Practitioners in one-to-one clinical practice and as a self-regulator for BANT Registered Nutritionists® and is dedicated to promoting the profession in the political & healthcare landscape.

## helping you practice safely & legally

BANT has adopted the CNHC Code of Conduct, Ethics and Performance into the Professional Practice Handbook, providing guidance and advice on the practice of nutritional therapy and the principles of personal, professional conduct and performance. The Handbook is available in a convenient and easy to use online format with member log-in.

The Professional Practice Panel (PPP) is available to advise and support members in implementing the Handbook guidelines.

## dedicated member dashboard

A one-stop portal to access your membership resources, track your CPD, build your professional profile for the practitioner search tool and access BANT and industry news.

## we are here for you

A dedicated BANT council and management team to support members in evidence-based practice of nutrition and lifestyle medicine science, supported by our invaluable volunteer network.
