

BANT Discounted IFM Group Membership

Response required by Monday 26 February 2024

Hello there,

We are now working on the February/March group for IFM Membership. We are dependent on numbers to determine the discount which ranges between 10% and 30% so we need you to indicate your interest by **Monday 26 February 2024**.

BANT organises this twice a year, in February/March and October/November. If you do not yet need to renew your IFM membership, please ignore this email.

PLEASE NOTE THE FOLLOWING:

- BANT is not trying to promote membership of the IFM, we are responding to member requests to organise group membership so they can benefit from the discount that IFM offers to group memberships.
- BANT does not promote the benefits of membership with IFM - to find out whether or not you want to join please visit the [IFM website](#).
- Please only email us if you are interested in taking up the offer as we do not deal with any other questions around IFM Membership.
- The fees below are quoted in dollars and we will confirm the prices in sterling once we have the final numbers.
- If you already have IFM membership, IFM will extend your current expiry date by 12 months.

5 plus members	10% discount	\$337.50

If you would like to participate, please email us at ifm-membership@bant.org.uk by **Monday 26 February 2024 providing your full name, membership number and email address**. Your details will be added to the list and you will receive an email requesting payment within 48 hours of the above deadline. You will have around 10 days to make your payment once you have received the request for payment. You will be advised of the discount achieved once the total group number is known.

If you already have a membership, you can join the group and IFM will add a year to your expiry date.

All payments will be made to the BANT bank account and full details will be provided when discounted price is known. Once all funds are received then BANT will make an application for the individuals direct to the IFM and your account will be activated.
