

## CREATING PROFESSIONAL PARTNERSHIPS

Nutrition Practitioners can work in synthesis with General Practitioners / Consultants to develop active strategies for their patients, alongside their primary care therapies, for overall improved health outcomes.

### GENERAL PRACTITIONER + NUTRITION PRACTITIONER

DIAGNOSIS	+ OPTIMISING DIET
SPECIALIST REFERRALS	+ SYMPTOM SUPPORT
PRESCRIBING	+ SAFE SUPPELMENTATION
DE-PRESCRIBING	+ TIME / COACHING
MEDICATION REVIEW	+ CONFIDENCE BUILDING
