

## Announcement of NED Site Down Time

Hello there,

**SHORT TIME ONLY! From 1 September, NED will be temporarily unavailable.**

For the past 6 months, BANT and the NED Editorial Board, have been working hard behind the scenes to upgrade the NED experience. We are nearly there. To ensure we bring you the speed, accuracy and usability that you expect from NED, there will be a short down time, when NED will not be available. From 1 September, NED will be behind curtains. We will keep this as short as possible and will let you know when we are live.

In the meantime, why not check out some of the amazing resources we've developed. [NED Journals](#) and [NED Infobites](#) will remain open to you even during the site down time. We will be back soon with details of what we've got in store.

BANT Council and NED Editorial Board

A promotional banner for a BANT event. The banner has a purple background. On the left, there is an image of a human torso with a liver highlighted in orange. The text "BANT | EVENTS" is on the left, "LIVER HEALTH &amp; DETOXIFICATION" is in the center, and "BANT APPROVED CPO" is on the right. Below the main text, it says "VIRTUAL EVENT - SATURDAY 08 NOVEMBER". There is a "BOOK NOW" button with a right-pointing arrow. Below the button are logos for "invivo pure" and "Your Health Basket". On the right, there are three circular portraits of speakers: Dr. Jenny Goodman, Kiran Krishnan, and Debbie Grayson.
